

STEPPIN' INTO MY **TEACHER SHOES**

2ND EDITION

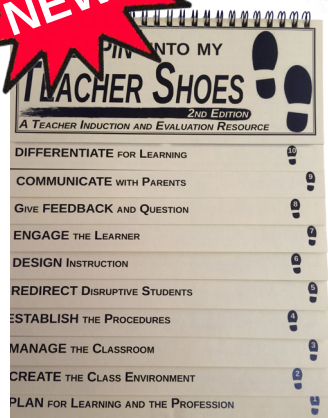

A TEACHER INDUCTION AND EVALUATION RESOURCE

Teacher Evaluation  **Effective Teaching Moves**  **Student Achievement**

Packed full of teaching moves which impact student achievement researched by Hattie in Visible Learning and meets the criteria of teacher evaluation systems such as Danielson's Framework for Teaching and The Marzano Teacher Evaluation Model. Harry Wong states it's "a must for every induction program."

"Awesome resource for any teacher!"

I love how the information is connected to my teacher evaluation system.

Cooperative Learning Structures for Engagement SmartCard • Included in this SmartCard are 28 of Kagan's very best cooperative learning structures. With these structures, you won't have to worry if your cooperative learning lessons respect the principles known to increase student achievement and improve social relations. **Our Price \$4**

Differentiated Instruction Kagan SmartCard • It features strategies and insights on how to differentiate the various aspects of instruction including: flexible grouping, assessment and evaluation, instructional materials, student support, products and presentations, instructional strategies, time and workload, difficulty, curriculum, and recognition. Use differentiated practices to help students reach their potentials! **Our Price \$4**

Response to Intervention Kagan SmartCard • This SmartCard introduces you to RTI and overviews three basic components of RTI: 1) Screening for Struggling Students, 2) Tiered Intervention Strategies, and 3) Progress Monitoring. This SmartCard provides suggestions for forming an RTI team in your school and special considerations for your team. It offers ideas for informing and involving parents. Provide support to students who need help in school with RTI! **Our Price \$4**

Second Language Learning Kagan SmartCard • In the traditional classroom, students practice language only when called upon to produce language. In the classroom where the teacher uses Kagan Structures, the frequency of student communication and language practice is increased significantly. With these structures language is being practiced all over the room from the voices of the learners and not just from the teacher. Language learning becomes functional, communicative, and meaningful! **Our Price \$4**

Student & Team Selector Spinner • Select a student with the Student Selector. Select a team with the Team Selector. Or select any student on any team by giving both spinners a whirl. A terrific teacher tool to equalize student selection and to keep everyone accountable for learning. **Our Price \$3**
